

About the Series

God has planted in every heart a longing to know the Savior. The soul-winning classic, *Steps to Christ (STC)*, directs the longing soul to Jesus Christ and His written Word like no other book in history. It unfolds with simplicity the love of Christ, His saving grace, the victory offered by His keeping power, and how to continue to abide in Him. This book has been translated into hundreds of languages with, at last count, over 200 million distributed world-wide.

Now you may enjoy and share the classic, *Steps to Christ* as a Bible interactive study series. Questions are asked, Scripture reference texts and blanks are supplied to derive your answers directly from Scripture. In this format the seeker is blessed for being in God's Word, and then receives the added blessing of *STC* as the commentary. If you do not have access to a Bible or you would like to check your answers, there is an answer key also available.

This guide can be used by individuals for personal study, by small and large home or church groups, by one-on-one or mail Bible schools, by those doing "pre" or "post" evangelistic series nurturing, by prison ministries, for door-to-door sharing, and much more.

We encourage you to freely copy and share these materials with others. The only restrictions are that the series is not to be altered or sold without written permission from the Publisher and this copyright notice must remain in each successive copy. If you represent a publisher or a church conference and have an interest in printing this series in a book format for free distribution or resale in your division this is an option. To do so you must contact and obtain a written agreement from the Publisher—Revelation Publications.
