

28 Fundamental Beliefs of Seventh-day Adventists Study Guides

These lessons came to me in JPG format for the first lesson from an unknown source several years ago. After researching, and many emails later, I was able to find the source of the JPGs for the lessons. A pastor in Fiji willingly sent them to me via email with his blessings. He said he did not know the origin of the lessons. He only had copies and gave me permission to use them to share.

I proceeded to then re-create them in WORD format and make them available in PDF to share with all who wanted them. Even as I and two church friends were reformatting them, I used them for our Wednesday night Prayer Meetings, which took nearly a year to complete them, as some lessons took longer than one meeting to get through them.

Since I've had requests from people from all over the world for these lessons, I approached my friend, Merlin Beerman with the possibility of putting them on his website so that more people would have access to them. He was in total agreement. So here they are available to all who want them.

The purpose of these study guides is to bring awareness to the seeker as to what the beliefs are of the Seventh-day Adventist Church. These beliefs come solely from scriptural foundation over years of developing as guided by the Holy Spirit.

These Study Guides are based on the book, The 28 Fundamental Beliefs of Seventh-day Adventists, that you can get from any Adventist Book Center or on Amazon.

As you study each topic, each belief with the Holy Bible as your answer book, we pray that you will be enlightened and educated as to what God has taught this church from the beginning. These Fundamental Beliefs have been the foundation of this church movement since 1863 when it became an official organization.

We praise God for this opportunity to share these beautiful truths of the Seventh-day Adventist Church with others. We pray that you will be blessed as you learn and apply these truths to your life and then share them generously. Jesus is coming very very soon.
