It is clear and I accept the Biblical equation for a living soul, dust (body) plus breath (spirit or spark of life) equals a living soul.

Circle One: Yes Undecided

I believe the Bible that the dead “know nothing” having no thoughts, emotions, or the ability to communicate with the living.

Circle One: Yes Undecided

the presence of Christ or fear that they are in hell burning, this is not what Scripture teaches. First it doesn’t make sense for us to die, Christ to send us to heaven or hell until his second coming then send us back into our graves to be resurrected and receive our reward and send us there again. There would be no purpose in His return.

(9) IN THE LAST DAYS OF EARTH’S HISTORY WHEN SATAN SEND HIS DEMONS TO DECEIVE GOD’S PEOPLE, WHAT WILL THESE “SPIRITS OF DEMONS” BE DOING?

Revelation 16:14 (also read 15)

The Bible teaches that the dead are in a state of unconsciousness like sleep. That they know nothing and will, at Christ second coming be awakened and given their reward. If we neglect this counsel and believe that the dead are in a state of awareness and can communicate with us we are allowing the possibility of being deceived. His evil angels have the ability to look and sound like our loved ones and tells us to believe most any fatal deceptions the devil would have us believe about God’s character, His laws, and the future (Deuteronomy 18:9-12).

I understand the dangerous deception of seeking to communicate with the dead because in reality they are demons seeking my deception.

Circle One: Yes Undecided

I am thankful Jesus has conquered death; I don’t have to fear death; and He will one day resurrect and reunite me with my loved ones.
